What Is Mobile Monday (MoMo)?

MoMo is a global community of mobile industry practitioners, visionaries, developers & influential individuals fostering brand-neutral collaboration and business opportunities through live networking events to share ideas, best practices & trends from global and local markets. The MoMo phenomenon began in Helsinki in 2000 and has since spread to over 100 locations around the world including Tokyo, Silicon Valley, Kampala, Nairobi and many more. MoMo Maputo will be Mozambique's first ever Mobile Monday Chapter!
